- **Concert attire contract-Due Thursday, October 5, 2017:** All band students **MUST** complete and turn this in. Concert attire will not be distributed to a student until they have turned this completed document in.

## Concert Attire Care Instructions

**Concert Dresses:** Dresses must be washed on the gentlest cycle your machine has. They can NOT be put in the dryer. They MUST be hung to air-dry. They dry quickly due to the type of fabric they are made of.

**Tuxedos:** Please dry clean both the jacket and slacks.

**Transporting items:** You have been assigned a garment bag for protecting the concert attire while you are transporting it from school to home and back. Please use it whenever you are transporting your attire. Some of the items have a tendency to slide off the hanger, and you may lose them if they are not contained in the garment bag.

**Helpful hint:** Once you get your attire home, you will want to unzip the bag (tuxedos), or remove the garment from the bag entirely (dresses). This will keep your items from becoming musty and/or creased.
